How to play?

The South Downs GeoTour is an exciting way to discover the hidden gems in the South Downs National Park. There are 30 geocaches in the GeoTour—the first in England!

Sign up for a free account at geocaching.com to access the geocache information. There's a handy video for beginners.

Visit new exciting places and have an adventure, record your finds and upload your photos.

Collect Codes from the geocaches and bonus points to earn a souvenir Silver or Gold Geocoin. Please note that Geocoins cost £6 each to cover production and postage.

Connect with us on social media: we love to hear your stories and share your pictures.
